

Haddo House

Travel Trade Information 2022-23

Haddo House is a striking mansion house set in 80 hectares of Aberdeenshire countryside. Home to the Gordon family for over 200 years, Haddo regularly played host to royalty and dignitaries across the centuries and later was used as a maternity hospital during WWII.

As well as the story-rich house and impressive art collection, your clients can explore the terraced gardens and the expansive grounds, where there are plenty of opportunities to spot wildlife in the bird hides or on a woodland walk.

Haddo House is suitable for both group and FIT clients.
